

WALK 'N ROLL TO SCHOOL

Krank It Up!: Get your bike in tip-top shape and ready for riding with some help from the Bike Co-op. While you get your bike tuned, make sure to ride through a fun bicycle obstacle course or check out the tire toss game.

Come meet our expert cyclists!
Monday, October 21 between 11:45 AM and 12:45PM

Walk n' Roll to School Celebration Week is October 21-25

Once again, UTown@UBC and the University Neighbourhoods Association have teamed up to promote active, safe & sustainable transportation in our community, and this time the celebration is campus wide!

Walk'n Roll Passport: Collect a sticker for each day you walk n' roll to school. Make sure to hand in your passport by end of week, and you will be entered to win great prizes. Check out the UTown@UBC *Cool Routes to School Map* to find out where to collect a sticker each morning.

Walking School Bus: Walking School Buses, led by community volunteers will depart every day of the week from Oct 21 to 25. Meeting locations and times are included in the UTown@UBC *Cool Routes to School map*.

RCMP Speed Watch: Speeders beware! The RCMP will be out enforcing traffic speed zones, so slow down and drive safely.

Division Contest: Encourage your classmates to walk n'roll to school with you. The division that logs most trips on their passports will win an ice cream party!

Why Walk 'n Roll to School?

Walking and riding to school are safe, fun ways to commute and are simple steps that families can take to reduce the number of cars on the road.

For more information about Walk 'n Roll visit utown.ubc.ca/walknroll

UTown@UBC Cool Routes to School Map

These are the UTown@UBC Cool Routes to School where Walking School Bus activities will be focused during Walk n' Roll to School Celebration Week.

Walking school buses, led by community volunteers will be available from select campus neighbourhoods to both schools each morning, October 21-25, so stop by the designated meeting spot during the indicated times and walk, ride or stroll to school with friends and neighbours. Don't forget to collect a sticker on your Walk 'n Roll passport each morning with a chance to win great prizes at the end of week, including our grand prize: a scooter for each school.

UTown@UBC was made for walking and rolling, so there are many roads and paths for pedestrians and cyclists. We encourage you to explore your community and find your favourite way to go to school.

Norma Rose Point School: Walking School Bus Departure Times for October 21-25

8:30 AM: Wesbrook Village (Menchie's)

8:30 AM: Old Barn Community Centre

8:45 AM: Acadia Park Commonsblock

Parents and Community members make the Walk n' Roll program happen by volunteering to organize this program. Contact Mustafa Akhtar if you'd like to get involved.
