

# UTown@UBC Cool Routes to School Map

These are the UTown@UBC Cool Routes to School maps, along which Walking School Bus activities will be focused during Walk 'n Roll to School Celebration Week.

Walking School Buses, led by community volunteers, will be available from some campus neighbourhoods to University Hill Elementary and Norma Rose Point Elementary every morning during Walk 'n Roll to School Celebration Week, so stop by the designated meeting spots and walk or ride to school with friends and neighbours. Don't forget to collect a sticker on your Walk 'n Roll passport each morning, for a chance to win great prizes at the end of the week!

These are only two routes. UTown@UBC was made for walking and rolling, so there are many roads and paths for pedestrians and cyclists. We encourage you to explore your community and find your favourite way to get to school!
